the Excise Commissioner
submits for the
favourable Consideration
of Government a memo-
rial from Mr: Davy
addressed to H. H. the
Maharaja praying
(1) that his service under
Government may be
reckoned to have Commenced
from 1878 and (2)
that he may be graded
with Dy. Commissioners
with retrospective
effect

Point 1. The question has been fully discussed in G.O. no. 341-2 of 12/7/00 & it was then decided that Mr Dunn's pension in Court should be suspended as from Commenced from 6th July 1882. The present enquiry of Mr Dunn is to reconsider this order.

Ref. E in Part I

Point 2. The Surveyor is to grade Mr. Dunn with Dy Commo. evidently with effect from 1897. This, if abbreviated, he argues will entitle him to enhanced pension — His Surveyor does not seem clear —

Point 2 refers I suppose to his being given a max^m pension of 600 Rs under Appx A. But this may be done by declaring that he is an officer falling

under that Category. ~~It~~

Mr. Davy's age is more than 55 years & his retention till the end of the present Year has been sanctioned.

I ~~by~~ doubt the propriety of the procedure adopted by Mr Davy in connection with ~~in deadling up~~ this Memorial.

2. His case was fully considered, and the reckoning of his services from 1882 instead of from 1848 does not afford him any reasonable ground for complaint.

3. His is an appointment in a Special Deptt. created partly in his own interest. Why he should ask that he be graded with Deputy Commissioners is not clear.

4. The order of Govt. directing

(11)

the ~~appointment~~ increase of his pay from Rs. 700 to Rs 800 with effect from 1st July 1902 was itself a Concession and I am not prepared to go further.

5. To his inclusion in the list of officers belonging to the "Imperial Civil Service" and to his being given the benefit of such inclusion I see no objection. In this matter, his request may be complied with.

To

The humble memorial of Mr.W.Vinicombe Davy,

Deputy Excise Commissioner

in Mysore.

16th May 1903. Submitted for favourable consideration - Md.

Most respectfully showeth:-

1. That your Highness' memorialist was taken to the Palace service in 1878. In proof of this the first return of Europeans and East Indians employed at the Palace submitted in 1890, contained 1878 as the beginning of your Highness' memorialist's employment; and this fact is noted in Government Order No. 341-2/Ex.17, dated 12th July 1900; but this Order brings your Highness' memorialist's service to after the Rendi-tion, viz, 1st July 1882. Your Highness' memorialist begs in this connection to state that in 1877 he had his own hounds at Mysore, but when in 1878 your Highness' late lamented father purchased them and got a list of them printed in the Jagan-mohan Press, your Highness' memorialist was appointed to look after them. Thus your Highness' memorialist's service commenced from 1878 and not from 1st July 1882, as stated in the afore-said Government Order.

2. That though repeated representations were made to grade your Highness' memorialist with the Deputy Commission-ers of Districts, and to apply the rule that was applicable to them, nothing was done in this matter except raising your High-ness' memorialist's pay from Rs.700/- to Rs.800/- on 1st July 1902. As your Highness' memorialist was drawing Rs.700/- since 1897 as Deputy Excise Commissioner, and if your Highness' memo-rialist's prayer to be graded among the Deputy Commissioners of Districts had been conceded, your Highness' memorialist would have now been entitled to a substantial addition to his pension

3. That under the above circumstances, your Highness memorialist humbly prays that your Highness' memorialist's -

service

4

service may be ordered to be reckoned from 1st July 1878 instead of from 1st July 1882,and that your Highness' memorialist may be ordered to be classed among the Deputy Commissioners of Districts with retrospective effect,so that there may not be any material diminution in the pension should circumstances necessitate retirement.

For which act of kindness,mercy and justice your Highness' humble memorialist will as in duty bound ever pray for your Highness' longevity and prosperity.
